

Tailored Resistance Workouts

Unique Advantages

Made in the USA. Unsurpassed quality. Patented safety features. These are the hallmarks of NZ Manufacturing's TurfCordz[®], StrechCordz[®] and MediCordz[®]. Whether your resistance training needs are for sports training, swim training, or rehabilitation, all of the company's products are engineered to meet the most rigorous demands of team, clinical, and personal use. The various resistance levels and accessories deliver a rewarding workout that's tailored to individual needs.

About The Company

NZ Manufacturing is celebrating 30 years as a leading supplier of resistance training products in the industry.
